New uniform...

Sometime ago we received comments from governors, parents and children about our school uniform. They said that they would like our uniform to be smarter, more comfortable, less expensive and easier for the children to dress themselves in. During the Autumn term the governors decided on a new school uniform.

We are delighted to tell you that we are giving you today a new, free school uniform that will fit your child. Please can you wash the jumper inside out over the weekend so that your child does not get covered in fluff!

If you wish to order extra uniform, please come and see the school office.

If you have recently bought some of the old uniform, please make an appointment to see Ms Richardson. We may well be able to refund you.

I have received and read the Our Lady's Primary School newsletter of 7. 02. 2014
