Year 2's river boat trip...

As part of their topic on Mega structures, Year 2 have been looking carefully at some of London's famous landmarks. They enjoyed a trip down the River Thames last week and found, with much enthusiasm, some rather famous buildings. The children listened carefully to the commentary given on the boat by a historian. He told them lots of fascinating facts and they all agreed it was a splendid day out!

Year 1 visited the Camden City Learning Centre. They made their own animation about Goldilocks. Their work is lovely and we are grateful to the parents who supported on the day.

I have received and read the Our Lady's Primary School newsletter of 24. 6. 2016
