

Dear Parents and Carers,

Thank you very much for attending Pupil Academic Review Day. Thank you also for completing the parent questionnaire on the day and the one we sent out to you about the Catholic life of the school. We had very positive responses for both.

Best wishes

Maths Week...

The children have thoroughly enjoyed Maths week, learning lots of measuring skills in class and around the school. They used the skills they had learnt for a DT project which they will be bringing home to show you. Thank you to the parents from Year 1 who joined us for a measuring lesson on Thursday alongside the children and to Mrs Smith for organising an exciting week of Maths for the whole school.

PTFA...

Our school is very lucky to have a wonderful PTFA who raise money for the children in the school by organising lovely events for us all to come to. The events include cake sales, family discos, a family BBQ at the end of every summer and a Movie Night. They also provide a treat for the children every year. For example, last year they provided a skipping workshop across the school. It would be good to see more of you at the meetings, if you can spare the time, as many hands make lighter work! The meetings usually last 30 minutes. The next one is where the PTFA will be organising a cake sale and an Easter treat for the children. **The meeting is on Thursday 13th March at 9am.**

I have received and read the Our Lady's Primary School newsletter of 28.02.2014

Well done Yared for your thoughtful and clear planning.
