## Freedom of Information Act

Reviewed by the governing body: September 2018

## **Freedom of Information Act**

### **1. Introduction**

The Freedom of Information Act (FOIA) requires all public authorities (including schools) to adopt and maintain a publication scheme from 1 January 2009. The Information Commissioner's Office (ICO) developed a model policy and publication scheme for schools which was adopted for this policy by Our Lady's School. The policy will be reviewed regularly as part of the school's policy review programme.

The policy commits the school to *'produce and publish the method by which the specific information will be available so that it can be easily identified and accessed by members of the public'*. This information is provided in the attached guide to information.

### **2. Information included in the guide to information**

The guide includes a list of the information that the school holds, how it will make the information routinely available, how the information can be accessed, whether or not a charge will be made for it and if so, what the cost will be. A copy of the FOIA policy is kept in the school office and it is planned for it to put onto the school website in the future.

### **3. Fees and charging**

Information through the school's publication scheme is readily available. It can be accessed through the school website at no charge or through the school office at a low charge. These charges are made for activities such as printing, photocopying and postage as well as information that the school is legally authorised to charge for. Anyone requesting information will be informed of any charge before the information is provided. The school may ask for payment before providing the information.

The actual charges and the basis on which the charges are being made are detailed in the "Schedule of Charges" section on the school's guide to information.

### **4. FOI requests and the publication scheme**

It is important to note that the school's publication scheme sets out the information that is routinely available. Information that is not listed in the guide to information may still be requested and will be made available unless it can be legitimately withheld.
